The following Competition Terms and Conditions (the "Terms" or "T&Cs") apply to the Asset Pairs Trading Competition (the "Competition") organised by FS International Ltd, registered under the Laws of Vanuatu with registration number 700227 and authorised by the Vanuatu Financial Services Commission (the "VFSC"), located at Law Partners House, Kumul Highway, Port Vila, Vanuatu (the "Company"). By participating in the Competition, clients acknowledge they have read and agreed to be bound by the Client Agreement which can be found on the website of the Company (www.fxglobe.com) and the present T&Cs.

1. Competition Period

The Competition runs for 30 calendar days, beginning on: **23 November 2026, 00:00 (GMT+2),** and ending on: **22 December 2026, 23:59:59 (GMT+2).**

Trading on Competition Trading Accounts will be enabled only during the official competition period.

Competition Trading Accounts will automatically be placed on read-only mode before the competition starts and immediately after it ends.

Only trading activity carried out on a Competition Trading Account during the Competition Period will be taken into account for ranking and prize eligibility.

2. Participation

To participate, a client must:

i. Complete the Competition registration process;
ii. Open a dedicated Competition Trading Account;
iii. Pay the USD 50 Participation Fee;

Each Competition Trading Account must:

- operate on MT5; and
- be credited with a starting balance of USD 10,000 (or equivalent).

3. Multiple Participations

Clients may have multiple participations in the Competition.

For every additional participation, the client must:

- open a separate Competition Trading Account; and
- pay an additional USD 50 Participation Fee.

A participant may hold more than one Competition Trading Account at the same time.

However, hedging between Competition Trading Accounts belonging to the same client is strictly prohibited as per the provisions of the Client Agreement.

4. Eligible Instruments

Eligible instruments include:

- Asset Pairs; and
- the respective underlying assets forming those Asset Pairs.

For example, a participant may trade Bitcoin vs Gold as an Asset Pair or trade Bitcoin and Gold separately.

5. Asset Pairs

Asset Pairs are synthetic instruments designed to reflect the relative performance of one underlying asset against another.

Each Asset Pair combines two underlying assets into a single tradable instrument.

The Asset Pair price is calculated as follows:

Asset Pair Price = Price of Asset A ÷ Price of Asset B

If Asset A strengthens relative to Asset B, the Asset Pair price rises.

If Asset B strengthens relative to Asset A, the Asset Pair price falls.

The following Asset Pair instruments are available for the Competition:

8. Ranking Method

Participants are ranked according to the highest Total Net Profit generated during the Competition Period.

The leaderboard is updated in real time during the Competition.

At the Competition closing time, a final leaderboard snapshot will be taken showing participants ranked according to Total Net Profit.

The ranking displayed at the Competition closing time is provisional and does not by itself establish prize entitlement.

Final rankings are confirmed only after completion of the Company's verification process.

9. Total Net Profit

For Competition ranking purposes, Total Net Profit includes:

- realized profit or loss generated during the Competition Period; and

- floating profit or loss on open positions.

If positions remain open when the Competition ends, only the PnL recorded at the final second of the Competition will be used for ranking purposes. Any movement in those positions after the Competition closing time will not affect the Competition ranking.

10. Prize Eligibility

To qualify for a prize, a participant must satisfy all of the following requirements:

1. Minimum Trading Activity

The participant must complete at least 5 closed trades during the Competition Period.

2. Asset Pairs Volume Requirement

At least 60% of the participant's total trading volume must be executed in Asset Pair instruments.

The ratio is calculated as:

Asset Pairs Ratio = Asset Pairs Volume ÷ Total Trading Volume

3. KYC Verification

The participant must successfully complete KYC verification.

11. Final Ranking Verification

Following the Competition closing time, the Company will review all activity on competition accounts before confirming the final rankings.

The Company may require up to 10 business days following the Competition closing time to complete its review and confirm the final rankings.

If a participant is disqualified following the verification process, that participant will be removed from the ranking and the remaining eligible participants will move up accordingly.

12. Competition Prizes

1st Place	**20 g of gold**
2nd Place	**10 g of gold**
3rd Place	**5 g of gold**

The physical gold prize will be 999 fine gold.

Prizes will be paid using a payment method determined by the Company.

Winners may choose between:

a) receiving the physical gold prize; or

b) receiving the monetary equivalent of the prize in accordance with clause 15.

13. One Prize Per Participant

Each participant may receive a maximum of one prize (irrespective of multiple participations, if applicable).

Where more than one Competition Trading Account belonging to the same participant finishes in a prize-winning position, only that participant's highest-ranked Competition Trading Account will qualify for a prize. The other prize position or positions will pass to the next eligible participant or participants in the ranking.

14. Physical Gold Prize

The Company will select the dealer/ supplier used to provide the physical gold prize as per its discretion and shall not be liable for any error and/or defect arising from the said dealer/supplier.

The Company may provide the prize using one or more gold bars whose combined total weight equals the prize entitlement. For example, if a 20 g bar is unavailable, the Company may provide two 10 g bars.

14.1 Delivery

Where physical delivery is available to the winner's location, the Company will arrange insured delivery. The Company shall not be liable should there be any delays and/or the parcel may be damaged or lost due to any unforeseeable acts and/or omissions outside its control.

The winner must provide accurate and complete delivery details and comply with any reasonable identity or courier requirements.

Physical delivery times may vary according to the winner's location, supplier availability, courier requirements and circumstances outside the Company's reasonable control.

Where physical delivery is not available to the winner's location, the winner will receive the applicable monetary equivalent instead as per the Company's decision.

15. Cash Alternative

A winner may choose to receive the monetary equivalent of the physical gold prize.

The cash equivalent will be calculated according to the market value of the applicable gold weight using the pricing source selected by the Company on the date the prize is processed. The said source shall be chosen by the Company at its absolute discretion, and the Company accepts no liability for prize variations and/or comparisons with other providers.

16. Winner Notification

Following confirmation of the final rankings, the Company will contact each eligible winner using the contact details registered with the winner's account.

A winner must respond within 10 business days from the date of the Company's notification.

If a winner cannot be contacted, has provided wrong information and/or fails to respond within that period:

1. the winner may lose their entitlement to the applicable prize; and

2. the applicable prize may be offered to the next eligible participant in the ranking.

A prize may be reallocated only once due to an unreachable winner.

The replacement participant must also respond within 10 business days of being notified by the Company.

If that replacement participant cannot be contacted or does not respond within the applicable response period, the prize will not be reallocated again and will remain unawarded.

17. Prohibited Conduct

Participants must not engage in conduct intended to manipulate, distort or unfairly influence Competition results.

Prohibited activity includes:

- hedging between Competition Trading Accounts belonging to the same client

- coordinated trading between accounts intended to manipulate rankings

- account sharing

- exploiting manifest pricing errors

- latency arbitrage

- abusing platform or system errors

- any activity prohibited under the Client Agreement

18. Disqualification

Disqualification may apply where the participant:

- fails to meet the prize eligibility requirements;

- breaches the Competition Terms & Conditions;

- breaches the Client Agreement;

- engages in prohibited hedging;

- attempts to manipulate the Competition ranking;

- engages in prohibited conduct;

- provides false or misleading information; or

- otherwise compromises the integrity of the Competition.

19. Leaderboard

The leaderboard is updated in real time and is provided for informational purposes during the Competition.

All rankings remain provisional until the Company completes the final verification process.

Personal client details will not be publicly displayed. Only account-related information will appear on the leaderboard.

20. Participation Fee

The Participation Fee is USD 50 per Competition entry.

Each additional Competition entry requires payment of an additional USD 50 Participation Fee.

The Participation Fee is non-refundable, except where the Company cancels the Competition.

21. Competition Account Balance

Each Competition Trading Account is credited with a starting balance of USD 10,000.

The starting balance and any profits generated on a Competition Trading Account:

- are used solely for Competition participation purposes;

- do not constitute client-owned money;

- may not be transferred; and

- may not be withdrawn.

Following completion of the Competition and final ranking verification, the Company may disable Competition Trading Accounts.

Any remaining open positions may then be closed by the Company.

22. Support During the Competition

To maintain fair and equal conditions, Support assistance during the Competition is limited to technical issues.

Support may assist with matters such as:

- platform installation;

- login issues; and

Support will not provide guidance concerning trading actions, including but not limited to:

- opening or closing positions;

- placing or modifying orders.

23. Taxes, Duties and Charges

Any taxes, declarations, charges or other obligations arising from receipt of a prize are the responsibility of the winner.

24. Amendments, Suspension or Cancellation

The Company may amend, suspend, postpone or cancel the Competition where reasonably necessary due to:

- technical issues;

- force majeure; or

- circumstances outside the Company's reasonable control by exercising its sole discretion.

25. Miscellaneous

- The Company may at its discretion request additional documentation from clients as it thinks fit and necessary for identification purposes at any time.

- The present T&Cs are drafted in English. Any other language translation is provided for convenience only (if applicable). In the case of any inconsistency and/or discrepancy between the original English text and its translation into any other language, as the case may be from time to time, the original version in English shall prevail.

- The Company accepts no responsibility nor liability for any losses and/or damages which may be suffered as a result of any act and/or omission outside its control.

- The Company shall not be liable for fluctuating prize prices and/or differences in pricing which will be provided by third parties.

- The Client acknowledges that Forex and CFDs are leveraged products which involve a high level of risk. When trading in such products, the Client understands that it is possible to lose all of their capital. These products may not be suitable for everyone and the Client should ensure that they understand the risks involved. The Client should seek independent advice if necessary.

- The Company reserves the right at its sole discretion, to modify, suspend and/or terminate the Competition and/or T&Cs at any time, without prior written notice and without providing any reason expressly and/or otherwise. Any such modification and/or termination shall become effective immediately upon being published on the Company's official website. It is the Client's responsibility to review the T&Cs of the Competition on a regular basis. Continued participation in the Competition following any amendment and/or modification shall constitute acceptance of the revised T&Cs.
